

NCSS Technology Training for Parents

Dear Parents and Families,

This year we are offering technical **training and development for our parents** (and other stakeholders). LIVE sessions on Microsoft & Google tools will be held at **10:00 a.m.** on the dates listed below. This is a wonderful opportunity for you to get familiar with the tools your child will use in the classroom. If you are unable to join the LIVE session, don't worry! All sessions will be recorded and posted on the training page. Use the QR code to access the training page.
